2. Any animals showing any signs of disease or poor health (including but not limited to: nasal discharge, wet tail, impacted feces, mites, open sores, sore hocks, vent disease, diarrhea, or any other unhealthy/unclean condition) that is deemed unfit to be shown must be removed from the show room immediately. Contagious conditions subject your entire entry to review, and one or all may be sent home. If you have any questions as to the health of your animal, please leave it home!
3. All decisions regarding the health and fitness of an animal to be shown will be reviewed by the Show Chairperson and/ more animals, please arrive before 9:00am for check in.
4. All animals must be in the showroom at time of show. Any disputes should be handled respectfully and calmly so a decision can be reached. The Show Chairperson and/or Assistant Show Chairperson have the final say in all decisions.
5. Please make sure carriers, chairs, coolers, etc are secure and placed in designated areas. Keep walkways and aisles clear—for everyone's safety.
6. All animals must be the bona fide property of the exhibitor. In the event that it is found out before, during, or after the show that the animal is not owned by the child showing it, all awards will be forfeited. Please follow this rule—we will enforce this rule in fairness to every child!
7. Judging starts promptly at 10am, so please arrive on time. All animals and exhibitors must remain in the showroom and on the Fairgrounds until closing. No animals can leave the showroom before this time without prior permission from the Show Chairperson and/or Assistant Show Chairperson. If animals are removed before closing without prior permission, all awards and premiums will be forfeited.
8. All judging will be done according to ARBA/ACBA standards (excluding Pet & Cloverbud classes). Classes will be provided and awards will be given for all CURRENTLY RECOGNIZED breeds and varieties only. Working breeds and varieties that have a working standard (Lionheads, Velveteen Lops, etc) may be entered; however, the exhibitor must present a

copy of the working standard at the time of entry. Per ARBA rules, animals shown under a working standard are only eligible to advance within their own breed class, and cannot compete for Best In Show.

9. All rabbits MUST be tattooed in the left ear with black ink. All tattoos should be visible and easy to read. Illegible or unclear tattoos are subject to refusal. **THERE IS ABSOLUTELY NO TATTOING ON THE FAIRGROUNDS!** If you need your animal tattooed, please make arrangements at least one week in advance. ******ABSOLUTELY NO EXCEPTIONS******

11. In accordance with government regulations, there will be a cloverbud class for participants between the age of 5 and 7 years. In order to compete in regular breed classes, exhibitors must have turned 8 as of January 1st, 2022. There are no exceptions to this rule, and under no circumstance can a cloverbud compete in regular classes.
12. There will be a pet class for all animals that are not eligible to compete in regular breed classes. **ONLY PET ANIMALS CAN BE SHOWN IN PET CLASS.** Animals shall be considered “pet quality” if they are one or more of the following: mixed bred, spayed or neutered, or have one or more major disqualifications. White toenails, poor coat color, poor coat condition, overweight, underweight, old age etc. etc are NOT qualifications for pet class. Unrecognized varieties (i.e. Harlequin Mini Lops or Mini Rexes, Broken colored White Cresteds etc.), off colored eyes (Vienna markings—colored rabbit with blue eyes), improper spotting/white coloration (Vienna markings- white nose, white feet, dutch markings on a non-dutch breed, etc) are all examples of purebred animals that qualify for pet class. On your entry form please write PET RABBIT or PET CAVY under variety, and be sure to include an ear number and sex.
13. All animals must be carried to the show table by the exhibitor during check in and the show. Parents or siblings may assist the exhibitor to ensure child safety, **HOWEVER** the child must be the one showing/checking in the animals. Junior leaders are always available to help younger members—if you’d like an older member to be assigned to help your child, please talk with the Show Secretary.
14. The exhibitor must be present at the time of judging. If the exhibitor is not present, animals will not be shown for them, and will be considered scratched from the show. Exhibitors will be given a maximum of 3 minutes to get their animals to the show table after the first call has been made.
15. Great Scott’s 4-H Rabbit & Cavy Club and the Topsfield Fair cannot be held responsible for loss or injury to animals, persons, and/or property, however all reasonable and prudent measures will be taken to ensure everyone’s safety.
